

ATTENTION

BATHGATE FAMILIES

Effective **Monday, December 2, 2019**, the City of Mission Viejo will enforce time-limited, “no through movement” at the intersection of Napoli Way/San Rafael. This means that vehicles **MUST TURN LEFT** from Napoli Way onto San Rafael on school days between **7:30 AM - 8:15 AM** and **2:00 PM - 2:45 PM**.

This will help to alleviate traffic back-up during drop off and pick up. Please plan ahead and start getting used to alternate routes now. There are many alternate routes through the neighborhood, all of which will add minimal time to your normal route.

We appreciate your patience and cooperation.
See reverse for more information.
